NOTICE REGARDING THE REDISTRIBUTION OF DON VALLEY EAST

The Federal Electoral Boundaries Commission for Ontario has recommended a change in Ontario riding boundaries dropping the number of Toronto seats from 25 to 24 and the elimination of Don Valley East, a riding that has existed since 1976.

If an election is held after April 2024 portions of Don Valley East would be attached to Scarborough Centre and parts would join Don Valley North and a new riding of Don Valley South.

You can see a map of the recommended changes on the reverse side of this notice.

This proposal to eliminate Don Valley East was only announced AFTER public hearings were held last year.

Have Your Say

The Boundaries Commission is no longer holding public hearings.

If you have questions or comments on the elimination of Don Valley East you can write to the Federal Electoral Boundaries Commission for Ontario at:

**ON@redecoupage-federal-
redistribution.ca**

Please copy MP Michael Coteau at michael.coteau@parl.gc.ca on your submissions so he can add those comments to his submission.

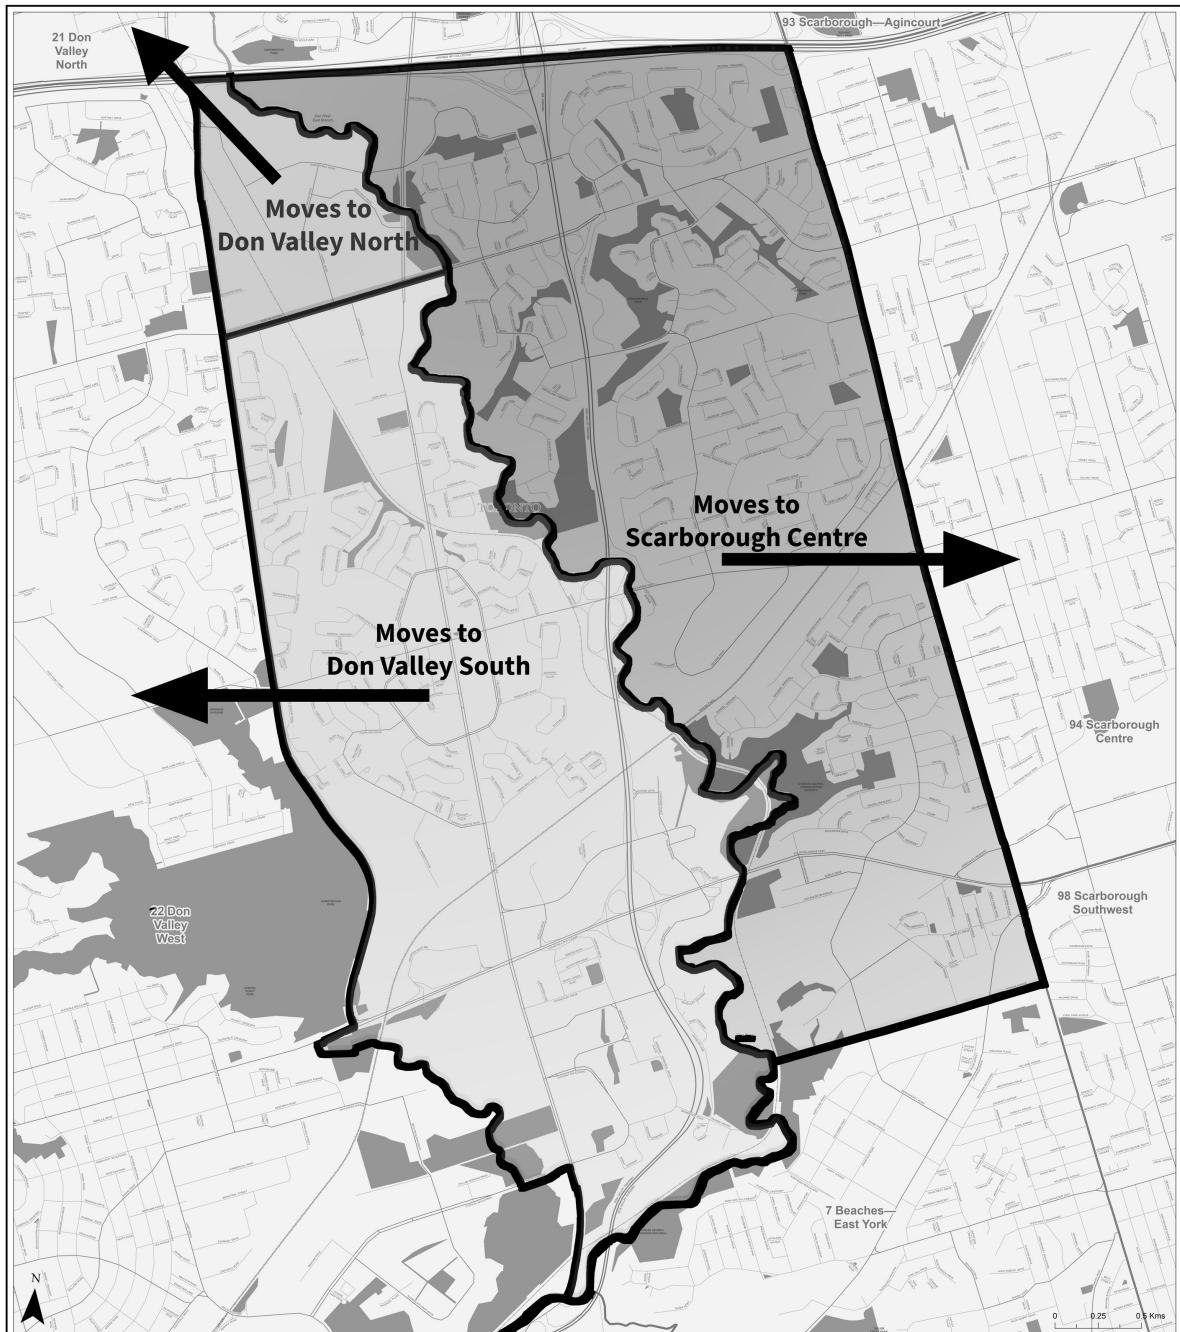

This change in federal boundaries could also mean the loss of our MPP, councillor and trustee.

Please let the Electoral Boundaries Commission know how you feel about these proposed changes.

Michael Coteau, M.P.

RECOMMENDATION FROM THE BOUNDARIES COMMISSION ELIMINATES DON VALLEY EAST

The Federal Electoral Boundaries Commission for Ontario is not planning any further meetings to discuss the elimination of Don Valley East. If you have comments or concerns please email: michael.coteau@parl.gc.ca

Do you believe that Don Valley East currently represents historic neighbourhoods or particular ethnocultural, religious or demographic communities of interest? If yes, please send Michael an email.
